(Valencia City)

Property in an exclusive location with magnificent views of the city of Valencia, with large windows and orientation so it has plenty of natural light. The property offers many possibilities for a high end renovation and at Found Valencia we can deliver a key ready home and project manage all details. Currently the property is distributed in a large hall with decorative fireplace and exit to the terrace with direct views to the bullring. The elevated double height lounge was formerly used as a stage. Passing through the hallway, we have a large room with fitted wardrobes and unique ceilings, the kitchen renovated in Valencian style to the kitchen, the large bathroom with a unique decoration and another large bedroom. From the same entrance, we find a spacious office, the 2 bedrooms, one of which has an integrated kitchen and a complete bathroom. From the bedroom there is access to the second terrace. The building has a concierge, restored and very well preserved. A unique location in the heart of the city of Valencia, just a few metres from the Plaza del Ayuntamiento, Calle la Paz, as well as the cathedral and the old part of the city with its impressive quarter of El Carmen. It is also close to the shopping area par excellence, Calle Colón.
