17,000,000 €*(Sotogrande)*

In his first Andalusian project, multi-award-winning Norwegian architect Jan Jensen brings his Viking spirit to Sotogrande. Practicing for almost 30 years, Jensen's designs reflect his interest in the relationship between the natural world and human residences, and his past creations are a testament to his work: showcasing the harmonious coexistence of man-made homes and nature. **ONE-OF-A-KIND HOMES** Inspired by the rolling, rural landscape of Provence, the Seven is a collection of one-of-a-kind homes hidden amongst 10 hectares of verdant parkland - crafted by world-renowned landscape architect Jean Mus. Each of the seven properties is designed by a different, eminent international architect. Each has its own hectare of land, envisioned by Mus to integrate into its surroundings and enjoy complete privacy, with unrivalled views across the Mediterranean and up to the hills of Andalucía. Each family home is spacious, fully serviced and enjoys an extensive array of amenities. And each sees the individual aesthetic, imagination and expertise of its architect brought to life on our patch of Provence in southern Spain - together creating an incredible, utterly unique community. €17,000,000* *Total turnkey estimate, subject to finishes.
