Investment property in Javea Old Town, in a prime location with a total of 23 rooms set out over 3 floors. Some rooms are so large that they could be divided into 2 or more rooms and thus the total number of rooms would increase a lot. It also has a beautiful roof terrace with sea views and views of the Montgo. Furthermore, there is an exit on the first floor to a beautiful and large patio (inner courtyard) with a green area. There are very valuable old floor coverings to be found, a lot of Tosca, wooden beams and other beautiful old materials.
